

I have been a regular listener of K-Love for many years now, as well as a supporter. Their uplifting music and words of encouragement have kept me positive, which as a single mom is an important thing! If this station is removed from the airwaves, not only will it impact me, but thousands of other K-Love listeners, who depend on K-Love for the family-oriented, clean (no profanity, nothing improper for young listeners, unlike most other radio stations!) radio entertainment. PLEASE DO NOT ALLOW THIS LPFM TO REMOVE MY STATION!!! Thank you.
